Date: **Friday 15 March 2024**

The Lower Murray Heritage Rally & Tractor Pull returns to Murray Bridge in 2024, commemorating a decade of the event with a promise of a weekend brimming with vintage charm and rich history.

Hosted by the Lower Murray Vintage Engine and Machinery Club, this event celebrates the heritage of agricultural machinery and vehicles, offering entertainment for the entire family.

Kicking off at 9:30 am Saturday 16 March, the event will run through Sunday 17 March 2024, at the Murray Bridge Showgrounds. Attendees can look forward to a showcase of vintage cars, stationary engines, farm machinery, and blacksmithing displays, along with hay bailing and tractor events. A diverse range of food and beverages will also be available throughout the event.

President Nick McCue of the Lower Murray Vintage Engine and Machinery Club expressed his enthusiasm, stating, "We are truly excited to host the Lower Murray Heritage Rally & Tractor Pull."

"This two-day event has the potential to attract numerous exhibitors and draw thousands of day-trippers from across South Australia and even interstate to Murray Bridge".

Mayor Thorley is encouraging the Community to attend the event and highlights the significance of honouring and spotlighting the rich history of the region.

"Events like the Tractor Pull offer us a glimpse into the rich history and stories that have shaped our region".

For further details about the event, please contact Jayme Marshall at 0419 037 756 or via email at namccue@lm.net.au. Alternatively, visit the Lower Murray Vintage Engine and Machinery Club's website at www.lmvemc.com.
