Date: 17 July 2026

Rug up and prepare for an unforgettable evening as **Murray Bridge Glows** returns to Diamond Park on **Saturday 29 August 2026**, transforming the heart of Murray Bridge into a spectacular celebration of fire, light and community.

From **5.30pm to 9.30pm**, locals and visitors alike are invited to farewell winter and welcome spring with a free, family-friendly event featuring dazzling fire and light displays, immersive entertainment and glowing experiences for all ages.

Diamond Park will come alive with spectacular fire performers, glowing installations, live entertainment, horse and carriage rides, fire pits and the ever-popular silent disco, creating a magical atmosphere for the whole community to enjoy.

This year's event – including the Fire and Light theme – is thanks to joint funding from the Rural City of Murray Bridge and Diamond Sponsor **SpryCrete**.

Whether you're gathering around the warmth of the fire, taking in the vibrant performances or dancing under the stars, Murray Bridge Glows offers something for everyone.

A variety of food and beverages will be available within Diamond Park, while nearby Bridge Street eateries and businesses will also be open, giving visitors even more opportunities to enjoy a night out in the heart of Murray Bridge.

This year's event builds on Council's commitment to creating an inclusive experience for everyone. The silent disco will once again feature haptic vests, offering another way to experience the music through vibrations so everyone can enjoy the atmosphere alongside family and friends. An accessibility guide will also be available before the event to help visitors plan their experience.

Mayor Wayne Thorley said Murray Bridge Glows continues to showcase the community spirit and vibrancy of the Rural City.

"Murray Bridge Glows has become one of our signature community events and a

wonderful opportunity for residents and visitors to come together and celebrate the changing seasons," Mayor Thorley said.

"It's a fantastic chance to farewell winter, welcome spring and experience the magic that transforms Diamond Park for one special night.

From fire performers and glowing installations to live entertainment, great food and activities for all ages, there's something everyone can enjoy.

Events like Glows help activate our city, support local businesses, and create memorable experiences that bring people together. We encourage everyone to make the most of the evening by exploring Bridge Street and supporting our local businesses."

Spry Holdings Director Sam Rasheed said he was proud to support an event that brings the community together and celebrates all that Murray Bridge has to offer.

"We're pleased to partner with the Council as the Diamond Sponsor of Murray Bridge Glows 2026. Events like this help create a strong sense of community while encouraging people to spend time in Murray Bridge and to support local businesses. At Spry Holdings, we value these events, and that's why we continue to support them."

Murray Bridge Glows supports Council's Strategic Plan by activating public spaces, encouraging visitation and creating vibrant community experiences that strengthen the local economy and celebrate the Murraylands.

More details will be shared soon. Stay up to date via our social media channels or visit our website at: [Murray Bridge Glows | Murray Bridge Council](#)
