Subject: **Surf Life Saving South Australia's Rippers 'Come and Try' Day POSTPONED**

Contact: **Chief Executive Officer / Heather Barclay**
0436 682 381/h.barclay@murraybridge.sa.gov.au

Date: **Friday 24 November 2023**

The 'Rippers, Nippers on the River' Come and Try Day, scheduled for 25 November 2023 at Sturt Reserve Murray Bridge, has been postponed due to weather concerns.

Originally planned by the Rural City of Murray Bridge in collaboration with Surf Life Saving South Australia, the event will be rescheduled, with a new date announced in the future. Meanwhile, an informative session about the Rippers program will be held online on Tuesday 28 November 2023, at 7:00 pm.

Rippers is a dynamic junior activities program, uniquely crafted for children to engage with the river in a safe and enjoyable environment. This program not only provides an avenue for kids to have fun but also imparts crucial water safety skills, fosters confidence, and cultivates lasting friendships.

Participants can register for the online session at [Surf Life Saving SA's Rippers Program](#). For more information, contact Surf Life Saving SA at 8354 6900 or via email at nippers@surflifesavingsa.com.au.

We apologise for any inconvenience caused and look forward to bringing this exciting initiative to our community at a later date.
