

# Murray Bridge Clothesline Project

## Background

The Clothesline Project encourages community members to create messages and images on t-shirts to support victims of domestic and family violence.

We invite you to create your own or get your club/group/school to produce some t-shirts together to help us break the silence and make a statement about this important community issue.

## How to get involved?

1. Participate at Murray Bridge Art Fest on Sunday 16 April 2023 or register your group by emailing Helen, Haven Community Partner at the Murray Bridge Community Centre [haven@mbcci.org.au](mailto:haven@mbcci.org.au)

## Can I keep my shirt?

You can. Should you wish to donate your completed t-shirt to the project it will be hung in the windows of local shops and businesses of Murray Bridge during the international 16 Days of Activism, 25 November to 10 December 2023.

Some shirts will also be displayed at the Place of Courage public artwork launch in November 2023. Please leave your contact details to receive an invitation to this event.

16 Days of Activism is an international campaign advocating for the eradication of gender-based violence.
