ACOUSTIC Sessions is back at The Station, bigger and better than ever. Get ready to be captivated by the incredible talents of young musicians, aged 12-25, from our local and surrounding areas, as they take the stage at The Station on Saturday 26 August, from 6 - 9 pm.

This event is organised by the Award winning Theatre Producer, Hannah Smith together with The Station. An evening with acoustic performances fit for the whole family to enjoy, free of charge, with food and drinks available at a small cost.

Acoustic Sessions have a surprise in store for you this year - we are live streaming the event on [The Stations Facebook Page](#). Immerse yourself in the cosy atmosphere and live music from the comfort of your home if attending in person is not possible.

This event will be a laid-back and relaxed experience, featuring acoustic performances from talented artists, as opposed to the usual full-band act. The result is a warm and inviting ambiance, perfect for everyone who prefers to enjoy local talent in a more intimate setting.

The event organiser, Hannah Smith simply can't contain her excitement and neither can we! She says, "This is my favourite event of the year.

Imagine snuggling up on a couch, hot food in one hand and hot chocolate in the other, while listening to live local music. It doesn't get any better than this on a Saturday night!"

The Station stands tall as a top-rated youth live music venue, boasting a large stage, top-notch sound system and professional lighting, making it the perfect spot to host this remarkable event.

Whether you choose to experience the magic in person or via our live-stream, make sure to mark your calendars and join us for an unforgettable evening filled with soulful melodies and captivating performances.

Let the Acoustic Sessions create an unforgettable musical experience for you!
