Date: **Thursday 9 November 2023**

---

The Rural City of Murray Bridge is inviting the community to provide feedback on the recently developed Draft Lerwin Facility Asset Management Plan for the years 2023-2032. This comprehensive plan incorporates extensive data collected on the Lerwin building and its contents, aiming to outline the future expenditure required to maintain these assets to an acceptable service standard.

The Council is committed to transparency and community engagement, ensuring that the residents of Murray Bridge have a voice in the future development and maintenance of the Lerwin Facility. The draft plan is a crucial document that will guide the Council's asset management strategies over the next decade, ensuring that the Lerwin Facility continues to serve the community effectively and efficiently.

The Draft Lerwin Facility Asset Management Plan 2023-2032 is available for public viewing at the following locations:

- Local Government Centre, 2 Seventh Street, Murray Bridge
- Murray Bridge Library, Level 2 / 51 South Terrace, Murray Bridge
- Lerwin Nursing Home, 67 Joyce Street, Murray Bridge (for residents, residents' families or staff only)
- Online at [letstalk.murraybridge.sa.gov.au/consultation-for-draft-lerwin-facility-asset-management-plan](http://letstalk.murraybridge.sa.gov.au/consultation-for-draft-lerwin-facility-asset-management-plan)

Members of the community are encouraged to submit their written comments and feedback. All submissions should be addressed to:

Rural City of Murray Bridge  
PO Box 421  
Murray Bridge SA 5253

The consultation period will close at 3pm on Thursday 30 November 2023. Council encourages all residents to participate in this important consultation process.

For any inquiries or further information regarding the Draft Lerwin Facility Asset Management Plan, please contact:

Ms Sue Reynolds  
Manager City Assets  
8539 1406

The Rural City of Murray Bridge is looking forward to engaging with the community on this vital plan and working together to ensure the sustainable management of the Lerwin Facility's assets for years to come.
