# Sixth Street Revitalisation

## Community Update Number 9 July 2016

### Contractor for Reconstruction of Sixth Street Appointed

The Rural City of Murray Bridge is pleased to announce that South Australian based company 'Outside Ideas' has been appointed to deliver the Revitalisation of Sixth Street.

Outside Ideas is a commercial landscaping firm that has been involved with a number of high profile projects including the Adelaide Oval Redevelopment and Adelaide Airport Upgrade, and are accustomed to working in busy retail precincts. Rural City of Murray Bridge Mayor said that the appointment of Outside Ideas is a significant milestone for the highly anticipated project.

*"Council is looking forward to working with the team at Outside Ideas to deliver the revitalisation of Sixth Street. With their professional approach and expertise in delivering high quality projects, Outside Ideas will be a great asset to this project",* said Mayor Lewis.

### Project Manager Appointed

The Rural City of Murray Bridge is also pleased to announce that South Australian based company 'Southfront' and in particular, Brett Shuttleworth has been appointed as Project Manager for the construction phase of the Revitalisation of Sixth Street. Brett will manage the interests and expectations for all construction activities associated with the project. Brett can be contacted at [b.shuttleworth@murraybridge.sa.gov.au](mailto:b.shuttleworth@murraybridge.sa.gov.au)

### Construction to Commence

Initial work commenced on Monday 25 July 2016 with no road works to be undertaken during December 2016 for Christmas trading and the entire project completed by the end of January 2017. The Project has been broken up into stages to minimise disruptions and will continue to evolve to best suit local traders. Please see overleaf the Staging Plan. The staging boundaries shown are indicative and may be altered by a small amount to suit the local site and working conditions.

We apologise for any inconvenience that the works may cause and are committed to working with business owners, tenants and the community to keep disruptions to a minimum.

### Latest News – 'Construction Zone'

You can view the latest news and images from the 'Sixth Street Revitalisation Project' in our 'Construction Zone' on our website. The construction zone will be the central source of information for the duration of the project.

Fortnightly 'Community Updates' will be distributed to businesses and the community during the construction period to ensure that you are informed of the Projects. Regular visits from the contractors will also occur when works are in the vicinity of your premises.

### Project Partners

The Revitalisation of Sixth Street is being delivered by Council, in partnership with the Australian Government through the 'National Stronger Regions Fund' and State Government's 'Planning and Development Fund'.
