FERRIES MCDONALD ROAD REDEVELOPMENT PROJECT

Update Number 28

10th May 2013

Major earthworks along Ferries McDonald Road continues to the north of Garwood Road, and will commence in the section adjacent to Monarto Conservation Park shortly.

Recently the project has drawn many positive comments from residents as Council discusses the design of the new road and how it relates to their property access.

Road users are reminded to continue to be vigilant within the construction zone and adhere to road works speed limits of 25km/h during the day (while works are underway) and 40km/h at all other times.

Please note that a 40Km/h speed limit will remain through the Ferries McDonald Conservation Park until the pavement line marking and signage are in place in the coming weeks.

Further information is available via Council's website at www.murraybridge.sa.gov.au or by collecting a Project Fact Sheet from the Local Government Centre at 2 Seventh Street, Murray Bridge.

If you have any queries please do not hesitate to contact Council by telephoning 8539 1160. To report Malleefowl sightings or incidents, please contact 1800 913 613.

Peter Bond, Chief Executive Officer
