FERRIES MCDONALD ROAD REDEVELOPMENT PROJECT

Update Number 31

31st May 2013

The conditions of Commonwealth Approval require Council to install signs to create a high level of awareness of endangered fauna. Council has however recently installed additional signs in a number of locations along Ferries McDonald Road and Chauncey's Line Road to ensure motorists take care while traveling through this area.

Major earthworks continue to the north of Garwood Road, and on the new alignment adjacent to Monarto Conservation Park and construction of the new road base has commenced.

Road users are reminded to continue to be vigilant within the construction zone and adhere to road works speed limits of 25km/h during the day (while works are underway) and 40km/h at all other times.

Further information is available via Council's website at www.murraybridge.sa.gov.au or by collecting a Project Fact Sheet from the Local Government Centre at 2 Seventh Street, Murray Bridge.

If you have any queries please do not hesitate to contact Council by telephoning 8539 1160. To report Malleefowl sightings or incidents, please contact 1800 913 613.

Peter Bond, Chief Executive Officer
