FERRIES MCDONALD ROAD REDEVELOPMENT PROJECT

Update Number 32

7th June 2013

Council is now into the 12th week of construction of Phase 2 works.

New road base material is now being introduced to the 5km section of Ferries McDonald Road between Garwood Road and the southern side of the Monarto Conservation Park.

Major earthworks are well underway to the North of the new road alignment adjacent to Monarto Conservation Park, with top soil being stockpiled for revegetation of the old road reserve at a later date.

Road users are reminded to continue to be vigilant within the construction zone and adhere to road works speed limits of 25km/h during the day (while works are underway) and 40km/h at all other times.

Further information is available via Council's website at www.murraybridge.sa.gov.au or by collecting a Project Fact Sheet from the Local Government Centre at 2 Seventh Street, Murray Bridge.

If you have any queries please do not hesitate to contact Council by telephoning 8539 1160. To report Malleefowl sightings or incidents, please contact 1800 913 613.
