

FERRIES MCDONALD ROAD REDEVELOPMENT PROJECT

Update Number 34

21st June 2013

With only one week left of the financial year, Council is progressing well with the project. There have been some changes to the original project schedule announced earlier in the year with major earthworks moving forward North of the new road alignment adjacent to Monarto Conservation Park.

Road users are reminded to continue to be vigilant within the construction zone and adhere to road works speed limits of 25km/h during the day (while works are underway) and 40km/h at all other times.

Peter Bond, Chief Executive Officer

Construction of the new road base between Garwood Road and the Southern side of the Monarto Conservation Park is continuing.

Further information is available via Council's website at www.murraybridge.sa.gov.au or by collecting a Project Fact Sheet from the Local Government Centre at 2 Seventh Street, Murray Bridge.
