# FERRIES MCDONALD ROAD REDEVELOPMENT PROJECT

## Update Number 42

16 August 2013

The Project is currently focused on completing major earthworks between Garwood Road and the Freeway including drainage construction with the fourth crossover culvert installed this week.

Telstra has commenced work relocating over 130 metres of cabling and associated infrastructure to accommodate the new road alignment adjacent to Monarto Conservation Park.

Road users are reminded to continue to be vigilant within the construction zone and adhere to road works speed limits of 25km/h during the day (while works are underway) and 40km/h at all other times.

If you have any queries please do not hesitate to contact Council by telephoning 85391160. To report Malleefowl sightings or incidents, please contact 1800 913 613.

Further information is available by collecting a Project Fact Sheet from the Local Government Centre at 2 Seventh Street, Murray Bridge or via Council's website at [www.murraybridge.sa.gov.au](http://www.murraybridge.sa.gov.au)
