FERRIES MCDONALD ROAD REDEVELOPMENT PROJECT

Update Number 43

23 August 2013

The project is currently focused on major earthworks in the land adjacent to Monarto Conservation Park and through to the Freeway. As part of these works 2 major Telstra services needed to be relocated which has now been completed.

Construction of Drainage Culverts is ongoing, which are being installed to accommodate overland stormwater flows.

The production of 40mm road base material is progressing well and is being stockpiled ready for installation during September and October.

Further information is available by collecting a Project Fact Sheet from the Local Government Centre at 2 Seventh Street, Murray Bridge or via Council's website at www.murraybridge.sa.gov.au

If you have any queries please do not hesitate to contact Council by telephoning 85391160. To report Malleefowl sightings or incidents, please contact 1800 913 613.
