FERRIES MCDONALD ROAD REDEVELOPMENT PROJECT

Update Number 55

15 November 2013

Since our last update, over 6,500 tonnes of 40mm limestone rubble has been introduced to raise the level of the road. Another layer of 20mm rubble shall then be applied ready for the first stage of sealing to commence in late December 2013.

Road users are reminded to continue to be vigilant within the construction zone and adhere to road works speed limits of 25km/h (while works are underway) and 40km/h at all other times.

Further information is available via Council's website at www.murraybridge.sa.gov.au or by collecting a Project Fact Sheet from the Local Government Centre at 2 Seventh Street, Murray Bridge.

If you have any queries please do not hesitate to contact Council by telephoning 8539 1160. To report Malleefowl sightings or incidents, please contact 1800 913 613.

Peter Bond,
Chief Executive Officer
