FERRIES MCDONALD ROAD REDEVELOPMENT PROJECT

Update Number 66

14 February 2014

Council has now sealed an additional three kilometres of Ferries McDonald Road. At the completion of road sealing up to the Freeway, driveway entrances shall be revisited and sealed for an agreed distance up to the new road.

The production of the limestone rubble required to build the road pavement in the final stretch to the Freeway has now been completed. Council shall now concentrate its construction activities in this area in the coming weeks.

Council is still expecting the project to be completed by April 2014 and hopes to begin revegetation works shortly after depending on weather conditions.

Further information is available via Council's website at www.murraybridge.sa.gov.au or by collecting a Project Fact Sheet from the Local Government Centre at 2 Seventh Street, Murray Bridge.

If you have any queries please do not hesitate to contact Council by telephoning 85391160.

To report Malleefowl sightings or incidents, please contact 1800 913 613.

Peter Bond,
Chief Executive Officer
