FERRIES MCDONALD ROAD REDEVELOPMENT PROJECT

Update Number 74

11 April 2014

Council is pleased to announce that the Ferries McDonald Road Redevelopment Project sealing phase up to the Freeway has been completed. The Murray Valley Standard reported this week that residents on Ferries McDonald Road have reason to celebrate. Many Monarto South neighbours have fought for years for bitumen to run past their homes. Residents have commented on how much safer travelling on the road will be for their families. The attached photos will remind us of what they have to celebrate.

Project updates will continue until various close out items such as line marking, signage, road side furniture and the tidy up of road side batters has occurred.

Road users are reminded to continue to be vigilant within the construction zone and adhere to road works speed limits of 25km/h

Further information is available via Council's website at www.murraybridge.sa.gov.au or by collecting a Project Fact Sheet from the Local Government Centre at 2 Seventh Street, Murray Bridge.

If you have any queries please do not hesitate to contact Council by telephoning 8539 1160. To report Malleefowl sightings or incidents, please contact 1800 913 613.

Peter Bond,
Chief Executive Officer
