FERRIES MCDONALD ROAD REDEVELOPMENT PROJECT

Weekly Update Number 12 22nd May 2012

Moving forward into the next phase of the project, work is now currently focused on the re-alignment of the Garwood Road intersection, with major earthworks well underway. The new alignment of boundary stock fencing has commenced and we are working closely with land owners to minimise disruption to the management of their properties and stock.

Road users are reminded to continue to be vigilant within the construction zone and adhere to road works speed limits of 25km/h during the day while works are underway and 40km/h at all other times. Council staff will assist road users around construction vehicles and in areas where vision may be restricted by current works.

Further information is available via Council's website at www.murraybridge.sa.gov.au or by collecting a Project Fact Sheet from the Local Government Centre at 2 Seventh Street, Murray Bridge.

If you have any queries please do not hesitate to contact Council by telephoning 85391160. To report Malleefowl incidents contact 1800 913 613.

Peter Bond, Acting Chief Executive Officer
