About This Document:
This map has been created for the purpose of showing basic locality information over The Rural City of Murray Bridge. Parcel and Property boundary lines and topographic data are supplied by the Department for Environment & Heritage. Aerial Photography is supplied by AeroMetrex Pty Ltd. Any error should be reported to the GIS Section, The Rural City of Murray Bridge.

Disclaimer:
Whilst every effort is made to ensure the information provided is accurate, Council accepts no responsibility for inaccuracies that may occur. Where appropriate, Council advises that a licensed surveyor be engaged to determine exact parcel boundaries. This map data is subject to copyright. Reproduction or on selling without written permission from The Rural City of Murray Bridge is an infringement on copyright laws.
