

Murray Bridge Suicide Bereavement Support
Group.

2nd & 4th Wednesdays of the month from 6pm to
8pm.

Flinders University Rural Clinical School

Silent Ripples is a group that was formed in 2010 to
provide support for families and friends affected by the
loss of a loved one through suicide.

We are a group of volunteers who have all been
bereaved through suicide so understand the
difficulties that many people have to deal with in their
daily lives.

The group offer support and encouragement,
we listen to each other's stories in a safe environment
and remember our loved ones .
