GET READY for a ripping great time this summer with the Murray River SPLASH month long festival of events on the riverfront at Sturt Reserve, Murray Bridge.

Beginning on New Year's Day families will find something new and amazing to do every single day in January culminating with Australia Day celebrations on the 26th.

Project Manager Michelle Chambers said The Rural City of Murray Bridge was SPLASHing out on fun, entertainment and adventure, for families.

"Sturt Reserve, our jewel in the crown, will come alive this holiday season playing host to an inflatable water playground Slip'n'Dip, Little Splash-Family Carnival Day, silent discos, outdoor cinema, come and try activities and so much more," she said.

"Most activities will be free allowing local families plenty of fun and affordable entertainment throughout the summer, with something to suit everyone on offer."

Obstacool and nature play activities will attract younger children, while hanging out with friends by the river enjoying movies and music in a safe space will appeal to those a little older.

Families frolicking on the foreshore can enjoy picnics together on the lush green lawns or take pleasure in preparation free feasting from food trucks supplying a range of food and drinks at reasonable prices.

Locals are encouraged to spend quality time with family and friends at Murray Bridge to be a part of this new riverfront festival in January.
